Sir,

I have the honor to forward herewith an extract from my inspection report of the Local Fund Dispensary at Yedehalli, with the Senior Surgeons remarks thereon, regarding the pressing need for the grant of malnad allow-ances to the Compounders, the Surgery Coolies and the waterwomen employed in the Local Fund Dispensaries in the malnad tracts of this District. It was often represented to me and my predecessars for recommendation to Govern-ment the grant of suitable malnad allowances as as it obtains in the Reve-nue and Police Departments. The poor pay they get is hardly sufficient to meet their dire necessities of life. The Compounder and the Medical Servants get much less than unskilled labourers in the Coffee Estates and yet they have to devote their whole time to the Dispensary work. It may not be out of place to state that the prices of even the commemest staple food grains have become very dear and are no better than famine rates. It is high time that the above Officials are given malnad allowances just to avoid their family and children being starved,

I request therefore that you will kindly consider my proposal in the next District Fund Board meeting and recommend to Government with your strong support the grant of malnad allowance as noted in the accompanying statement. I have proposed Rs.4 to each of the Compounders, Re. I to each of the Surgery Cooly and Rs. 2 to each of the water-women . The total cost comes to Rs. 65 per mensum.
